

Upload an Image from a Picture You Took

This Guide will show you how to upload an image of signage, wall art, a view or more and place it in your floor plan.

- 1. Click the "Build Icon" from the left menu bar.
- 2. Under Advanced Tools section click "Upload Picture".
- 3. Click on the floor plan where you want the picture to be placed.
- 4. In the properties window click the "Upload a New Image" button.
